## Silver City, New Mexico

### BOARD OF EDUCATION

#### Safety and Security Resolution

**WHEREAS**, the Silver Consolidated School District Board of Education is committed to providing and maintaining a safe and secure learning environment for all district students, teachers, administrators, and staff; and

**WHEREAS**, the Silver Consolidated School District Board of Education, in light of recent tragic events throughout the nation and within the state of New Mexico, find it necessary to formally address safety and security within our district;

**THEREFORE, BE IT RESOLVED**, the Silver Consolidated School District, will form a School Safety and Security Committee with the intent of assessing current and potential safety and security risks as well as formulating ways to reduce and, when possible, eliminate the risks identified; and

**BE IT FURTHER RESOLVED**, the Silver Consolidated School District Board of Education will appoint a school board member to this committee. The member appointed should be the most highly qualified member of the current board in regard to safety and security issues; and

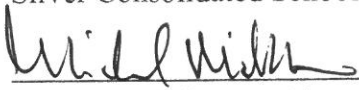

**BE IT FURTHER RESOLVED**, the committee will consist of members of the school district administrative team as well as representatives from school district staff, local law enforcement agencies, and community members as deemed appropriate; and

**BE IT FURTHER RESOLVED**, the Safety and Security Committee will report to School District Administration and the Board of Education with recommendations of the committee; and

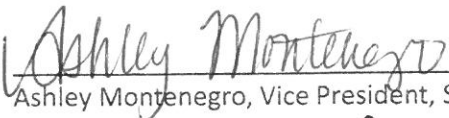

**BE IT FURTHER RESOLVED**, that the Silver Consolidated School Board of Education and School District Administration will work in partnership with local/state organizations and our community to ensure that the Silver Consolidated School District is a safe and secure learning environment.

Passed and adopted this 20<sup>th</sup> day of February, 2018.
